SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(1) The petitioner's residence at the time of service.
(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

DEPÊCHES, Etc.

CANADA.

LETTRES PATENTES sous le grand sceau du Royaume-Uni, constituant la fonction de gouverneur général et commandant en chef de la Puissance du Canada.

En date du 15 juin 1905.

EDOUARD SEPT, par la grâce de Dieu, Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, Défenseur de la Foi, Empereur des Indes.

A tous ceux à qui les présentes parviendront, —
Salut :

ATTENDU que par certaines lettres patentes sous le grand sceau de Notre Royaume-Uni de la Grande-Bretagne et d'Irlande datées à Westminster le cinquième jour d'octobre 1878, feu Sa Majesté la reine Victoria a constitué, décrété et déclaré qu'il y aurait un gouverneur général dans et pour notre Puissance du Canada, et que la personne remplissant la dite fonction de gouverneur général serait de temps à autre nommée par commission sous le seing manuel et le cachet royal :

Et attendu que nous voulons et désirons révoquer les dites lettres patentes, et leur substituer d'autres dispositions :

A ces causes, par ces présentes nous révoquons et annulons les dites lettres patentes, et tout ce qui y est contenu, mais sans préjudice à ce qui aura été fait légalement en vertu d'icelles :

Et nous déclarons notre volonté et plaisir comme suit :

I. Par les présentes nous constituons, décrétons et déclarons qu'il y aura un gouverneur général et commandant en chef dans et sur notre Puissance du Canada (ci-après appelée notre dite Puissance), et les nominations à la dite fonction seront faites par commission sous notre seing manuel et cachet.

Et par les présentes nous autorisons et commandons notre dit gouverneur général et commandant en chef (ci-après appelé notre gouverneur général) de faire et exécuter dîment tout ce qui appartiendra à son dit mandat et à la fonction que nous lui avons conférée, en se conformant aux pouvoirs et attributions qui lui sont ou seront donnés ou conférés en vertu de l'Acte de l'Amérique Britannique du Nord, 1867, et par les dites lettres patentes et par telle commission qui pourra lui être délivrée sous notre seing manuel et notre cachet, ainsi qu'aux instructions qu'il pourra recevoir de temps en temps sous notre seing manuel et cachet, ou par notre ordre rendu en notre Conseil privé, ou de nous par l'intermédiaire de l'un de nos principaux secrétaires d'Etat, comme aussi aux lois qui sont actuellement ou qui seront par la suite en vigueur dans notre dite Puissance.

II. Et par les présentes nous autorisons notre dit gouverneur général, et le revêtons du pouvoir de garder et utiliser le grand sceau de notre dite Puissance pour sceller toutes choses que ce soit qui sera passée sous le grand sceau.

III. Et, de plus, nous autorisons notre gouverneur général et le revêtons du pouvoir de constituer et nommer en notre nom et pour nous tous les juges, commissaires, juges de paix et autres officiers nécessaires et ministres de notre dite Puissance, qui peuvent être légalement constitués ou nommés par nous.

IV. Et, de plus, nous autorisons notre dit gouverneur général, et le revêtons du pouvoir, en tant qu'il est de notre compétence, et si la cause lui paraît suffisante, de renvoyer de son emploi, ou de suspendre de l'exercice du dit emploi, toute personne qui exerce un emploi dans notre dite Puissance sous et en vertu d'une commission ou mandat accordé ou qui sera accordé par nous en notre nom et sous notre autorité.

V. Et, de plus, nous autorisons notre gouverneur général et le revêtons du pouvoir d'exercer tous les pouvoirs qui nous appartiennent légalement de convoquer, proroger et dissoudre le parlement de notre dite Puissance.

VI. Et attendu que par l'Acte de l'Amérique Britannique du Nord de 1867, il est entre autres choses statué, qu'il nous sera loisible, si nous le jugeons à propos, d'autoriser le gouverneur général de notre dite Puissance du Canada à nommer une ou plusieurs personnes, conjointement ou séparément, pour agir comme son ou ses députés dans aucune partie ou parties de notre dite Puissance, et, en cette capacité, exercer, durant le bon plaisir de notre dit gouverneur général, les pouvoirs, attributions et fonctions de notre dit gouverneur général, que le gouverneur général jugera à propos ou nécessaire d'assigner à ce député ou ces députés, sujet aux restrictions ou instructions formulées ou communiquées de temps à autre par nous : Sachez donc que par les présentes nous autorisons notre dit gouverneur général, sujet aux restrictions et instructions comme susdit, à nommer une ou plusieurs personnes, conjointement ou séparément, pour agir comme son ou ses députés dans toute partie ou parties de notre dite Puissance du Canada, et, en cette capacité, exercer durant son bon plaisir, les pouvoirs, attributions et fonctions qu'il jugera à propos de lui ou leur assigner ; pourvu toujours que la nomination de tel député ou députés ne pourra empêcher le Gouverneur général lui-même d'exercer les pouvoirs, attributions ou fonctions qui lui sont conférés.

VII. Et par les présentes nous déclarons que nous désirons qu'advenant la mort, l'incapacité de notre dit gouverneur général, ou pour cause de son déplacement ou de son absence du Canada, tous les pouvoirs et autorités conférés par les présentes au dit gouverneur général seront donnés à telle personne qui sera nommée par nous sous notre seing et cachet lieutenant-gouverneur de notre dite Puissance, durant notre bon plaisir, ou s'il n'y a pas de lieutenant-gouverneur dans notre dite Puissance, alors à telle personne ou personnes qui pourront être nommées sous le seing et cachet royaux pour administrer le dit gouvernement ; et s'il n'y a pas de telle personne ou personnes ainsi nommées par nous dans notre dite Puissance, alors à notre juge en chef en exercice de la cour Suprême de notre dite Puissance ; ou dans le cas de la mort, incapacité, déplacement ou absence de notre dite Puissance de notre dit juge en chef en exercice, alors au plus ancien juge en exercice de notre cour Suprême demeurant alors dans notre dite Puissance, et ne souffrant point d'incapacité.

Pourvu toujours que le dit plus ancien juge n'agira dans l'administration du gouvernement que lorsque notre dit juge en chef ne sera pas présent dans notre dite Puissance et est incapable d'administrer le gouvernement.

Pourvu aussi que ces pouvoirs et attributions ne soient conférés au lieutenant-gouverneur, ou à la dite autre personne ou personnes, qu'après qu'il aura ou qu'elles auront prêté les serments exigés du gouverneur général de notre dite Puissance, et en la manière prévue par les instructions qui accompagnent nos présentes lettres patentes.

VIII. Et, par les présentes, nous mandons et ordonnons à tous nos officiers et ministres, tant civils que militaires, et à tous les autres habitants de notre dite Puissance d'obéir et prêter aide et assistance à notre dit gouverneur général, ou, dans le cas où il décéderait, deviendrait incapable ou s'absenterait, à la personne ou aux personnes qui seraient chargées, en vertu des dispositions de nos présentes lettres patentes, d'administrer le gouvernement de notre dite Puissance.

IX. Et nous nous réservons par les présentes à nous-même et à nos héritiers et successeurs pleine autorité et pouvoir de révoquer, de modifier ou d'amender nos présentes lettres patentes, comme bon nous semblera à nous ou à nos héritiers et successeurs.

X. Et nous mandons et ordonnons que nos présentes lettres patentes soient lues et publiées en notre dite Puissance à tel lieu ou lieux que notre dit gouverneur général jugera convenables.

INSTRUCTIONS sous le seing manuel et le cachet du Roi pour le gouverneur-général et commandant en chef de la Puissance du Canada.

En date du 15 juin 1905.

EDOUARD R. & I.

INSTRUCTIONS à notre gouverneur-général et commandant en chef de notre Puissance du Canada, ou, en son absence, à notre lieutenant-gouverneur, ou à l'officier administrant le gouvernement de notre dite Puissance.

Donné à notre cour à St. James, ce quinzième jour de juin 1905, l'an cinquième de notre règne.

ATTENDU que, par lettres patentes portant la date de ces présentes, nous avons établi, ordonné et déclaré qu'il y aurait un gouverneur-général et commandant en chef (ci-après appelé notre dit gouverneur-général) de notre Puissance du Canada (ci-après appelée notre dite Puissance); et que par les dites lettres patentes nous avons donné autorité et ordonné à notre dit gouverneur-général de faire et exécuter dûment tout ce qui appartiendra à son mandat et à la charge que nous lui avons confiée, en se conformant aux pouvoirs et attributions qui lui sont ou seront donnés ou conférés par les dites lettres patentes et par telle commission qui pourra lui être décernée sous notre seing manuel et notre cachet, ainsi qu'aux instructions qu'il pourra recevoir de temps en temps sous nos seing manuel et cachet; ou par notre ordre rendu en notre conseil privé, ou de nous par l'intermédiaire de l'un de nos principaux secrétaires d'Etat, comme aussi aux lois qui sont actuellement ou qui seront par la suite en vigueur dans notre dite Puissance; à ces causes, par nos présentes instructions sous nos seing manuel et cachet, nous déclarons que nous voulons et nous plaît,

I. Que le dit gouverneur-général nommé par nous fasse lire et publier, avec toute la solennité convenable, notre dite commission sous nos seing manuel et cachet, nommant notre dit gouverneur général, en présence du juge en chef ou de tout autre juge de la cour Suprême de notre dite Puissance, et des membres du Conseil privé de notre dite Puissance;

Que notre dit gouverneur-général et tout autre officier chargé d'administrer le gouvernement de notre dite Puissance, prêtent le serment d'allégeance, selon la formule prévue par un acte passé en la session tenue dans les trente-unième et trente-deuxième années de notre règne, sous le titre: "An Act to amend the law relating to Promissory Oaths," (Acte pour amender la loi concernant les serments promissoires), comme aussi le serment accoutumé de bien et fidèlement remplir les devoirs de la charge de notre gouverneur-général et commandant en chef de notre dite Puissance du Canada, et de bien et impartialement administrer la justice:—lesquels serments le dit juge en chef de notre dite Puissance, ou, en son absence, ou dans le cas où il en serait autrement empêché, tout autre juge de la cour Suprême de notre dite Puissance, aura le devoir et est par les présentes requis de recevoir.

II. Et nous donnons pouvoir à notre dit gouverneur-général, et le requérons de faire prêter, à toute époque, soit par lui-même, soit par toute autre personne qu'il aura autorisée pour cet effet, à tout et chaque titulaire d'une charge ou fonction de confiance ou d'émoluments en notre dite Puissance, quand il le croira à propos, le dit serment d'allégeance, ainsi que tout autre serment ou tous autres serments qui pourraient être prescrits par des lois ou statuts spéciaux.

III. Et nous requérons notre dit gouverneur-général de communiquer sans délai au conseil privé de notre dite Puissance, nos présentes instructions, et pareillement toutes autres instructions ultérieures dont il jugera opportun, pour le bien de notre service, de lui faire part.

IV. Notre dit gouverneur-général aura soin que toutes les lois sanctionnées par lui en notre nom, ou réservées pour la signification de notre bon plaisir, portent, lorsqu'il nous les transmettra, de bons sommaires marginaux, et soient accompagnées, s'il y a lieu, d'observations explicatives sur les motifs et l'opportunité des dites lois; et il devra aussi transmettre des copies conformes

des journaux et procès-verbaux du Parlement de notre dite Puissance au Canada, copies qu'il se fera donner par les greffiers ou autres officiers qu'il appartiendra du dit Parlement.

V. Et nous donnons, de plus, autorité et pouvoir à notre dit gouverneur-général d'accorder, comme il le jugera à propos, en notre nom et de notre part, lorsqu'il aura été commis un crime pour lequel le coupable pourra être jugé dans notre dite Puissance, le pardon à tout complice qui n'aura pas pris part à la perpétration même de ce crime, s'il fait des révélations telles qu'elles conduisent à la conviction du coupable principal; comme aussi d'accorder à tout individu reconnu coupable d'un crime dans une cour de justice, ou devant un juge, juge de paix ou magistrat, en notre dite Puissance, un pardon soit entier, soit soumis à des conditions licites, ou un sursis à l'exécution de son jugement pour le temps que notre dit gouverneur-général jugera convenable; et de remettre toute amende ou confiscation qui pourrait avoir été prononcée à notre profit; pourvu toutefois que notre dit gouverneur-général ne mette pas à ce pardon ou à cette rémission de sentence, excepté dans le cas où l'offense serait de nature politique, la condition que le coupable sera banni ou sortira de notre dite Puissance. Et par les présentes nous mandons et enjoignons à notre dit gouverneur-général de ne faire grâce ou de n'accorder de sursis à aucun criminel qu'après avoir reçu dans les cas de sentence capitale, l'avis du Conseil privé de notre dite Puissance, et, dans les autres cas, l'avis d'un de ses ministres, au moins; et si le pardon ou le sursis devait affecter directement les intérêts de notre empire ou ceux de tout autre pays ou lieu hors de la juridiction du gouvernement de notre dite Puissance, notre dit gouverneur-général, avant de prendre une décision, consultera sur ces intérêts son propre jugement, tout en considérant l'avis reçu comme il est dit ci-haut.

VI. Et attendu que notre service et la sécurité de notre dite Puissance pourraient souffrir grandement de l'absence de notre dit gouverneur-général, il ne quittera, sous aucun prétexte, notre dite Puissance, qu'au préalable il n'en ait obtenu de nous la permission, soit sous notre seing manuel et notre cachet, soit par l'intermédiaire d'un de nos principaux secrétaires d'Etat.

No 285.

Lord Elgin à Lord Grey.

DOWNING STREET,

7 juillet 1906.

MILORD,—Conformément à la dépêche de Votre Seigneurie du 25 mai, j'ai soumis à Sa Majesté l'Adresse que le Sénat et la Chambre des Communes du Canada ont conjointement envoyée au Roi, exprimant leur loyauté et leur dévouement à Sa Majesté et faisant le vœu que Leurs Majestés le Roi et la Reine veuillent bien visiter le Dominion.

Sa Majesté a reçu l'Adresse très gracieusement.

Inutile de rappeler à Votre Seigneurie les deux circonstances qu'il ne faut pas négliger dans la considération de ces propositions. En premier lieu—la besogne ordinaire de l'Empire, qui est continue et incessante, est une lourde tâche pour le temps et les forces de son Souverain,—et il est bien connu qu'il est difficile, sinon impossible, que Sa Majesté s'absente de ce pays, sauf dans certaines limites et restrictions bien définies—même quand des considérations de santé et le besoin de repos le rendent expédient.

En second lieu, il faut se rappeler que pratiquement il n'existe pas de limite aux distances qu'il faut franchir pour atteindre toutes les parties de l'Empire britannique, et que le Roi pourrait difficilement visiter une importante partie de ses possessions et refuser d'en visiter une autre.

Ces deux raisons ont indubitablement influencé feu Sa Majesté la Reine Victoria, à décider, avec une sage prévoyance, que son fils aîné visiterait dans sa jeunesse, les diverses colonies et possessions de l'Empire qu'il devait un jour gouverner; et conséquemment, Sa Majesté, en sa qualité de Prince de Galles, fit la visite au Canada que mentionne la présente Adresse.

Suivant les mêmes conseils, le Prince de Galles d'aujourd'hui, et d'autres membres de la famille royale n'ont pas cessé de visiter même les parties les plus reculées de l'Empire, et ont toujours été reçus comme les représentants de Sa Majesté avec une tendresse et une loyauté sans bornes.

Je suis chargé par Sa Majesté de mentionner ces considérations, car il désire que ses loyaux sujets au Canada, et plus particulièrement le Sénat et la Chambre des Communes soient convaincus qu'il est profondément touché et très heureux des termes de leur Adresse et du désir qui y est exprimé que le Roi, accompagné de Sa Majesté la Reine, visite une seconde fois le Dominion. Sa Majesté a conservé un doux souvenir, même après de longues années, de sa première visite, des beautés et de l'intérêt du pays et de l'enthousiasme et de la loyauté qu'il a rencontrés partout. Il ne doute pas qu'il lui serait difficile de retrouver tous les aspects du Canada, qu'il a alors appris à connaître, dans le grand Dominion dont la rapide croissance dans tout ce qui contribue au développement et à la prospérité d'une nation a été si étonnante; et il ne saurait être offert au chef d'aucun empire de plus grand triomphe que d'être lui-même le témoin d'un progrès si remarquable.

En dépit, cependant, de tous les puissants motifs qui le portent à se rendre aux vœux loyaux de ses sujets canadiens, je dois dire que le Roi se trouve dans l'impossibilité de songer à entreprendre un voyage au Canada, pour le présent. Il serait prématuré de discuter maintenant si les difficultés dont il a été question au commencement de cette dépêche, et d'autres que je ne crois pas devoir mentionner, pourraient être surmontées. Mais Sa Majesté désire que Votre Seigneurie fasse part à tous du fait qu'il est empêché par les obligations de sa position et non par défaut d'appréciation de la loyauté et du dévouement du peuple du Canada à son Trône et à sa Personne.

J'ai, etc.,

(Signé) ELGIN.

DEMANDES AU PARLEMENT.

RÈGLE SPÉCIALE DU SÉNAT.

Lorsqu'un bill confirmant un bail, une convention ou toute autre espèce de contrat, sera reçu ou présenté au Sénat, ce bail, cette convention ou cette autre espèce de contrat sera exposé dans un appendice ou autrement.

SAML. E. ST. O. CHAPLEAU,

Greffier du Sénat.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux du district où il avait sa résidence habituelle à l'époque de

sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante, sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant le service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce, — et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(1) The petitioner's residence at the time of service.
(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.
(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

DEPÊCHES, Etc.

CANADA.

LETTRES PATENTES sous le grand sceau du Royaume-Uni, constituant la fonction de gouverneur général et commandant en chef de la Puissance du Canada.

En date du 15 juin 1905.

ÉDOUARD SEPT, par la grâce de Dieu, Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, Défenseur de la Foi, Empereur des Indes.

A tous ceux à qui les présentes parviendront, SALUT.

ATTENDU que par certaines lettres patentes sous le grand sceau de Notre Royaume-Uni de la Grande-Bretagne et d'Irlande datées à Westminster le cinquième jour d'octobre 1878, feu Sa Majesté la reine Victoria a constitué, décrété et déclaré qu'il y aurait un gouverneur général dans et pour notre Puissance du Canada, et que la personne remplissant la dite fonction de gouverneur général serait de temps à autre nommée par commission sous le seing manuel et le cachet royal :

Et attendu que nous voulons et désirons révoquer les dites lettres patentes, et leur substituer d'autres dispositions :

A ces causes, par ces présentes nous révoquons et annulons les dites lettres patentes, et tout ce qui y est

contenu, mais sans préjudice à ce qui aura été fait légalement en vertu d'icelles :

Et nous déclarons notre volonté et plaisir comme suit :

I. Par les présentes nous constituons, décrétons et déclarons qu'il y aura un gouverneur général et commandant en chef dans et sur notre Puissance du Canada (ci-après appelée notre dite Puissance), et les nominations à la dite fonction seront faites par commission sous notre seing manuel et cachet.

Et par les présentes nous autorisons et commandons notre dit gouverneur général et commandant en chef (ci-après appelé notre gouverneur général) de faire et exécuter dûment tout ce qui appartiendra à son dit mandat et à la fonction que nous lui avons conférée, en se conformant aux pouvoirs et attributions qui lui sont ou seront donnés ou conférés en vertu de l'Acte de l'Amérique Britannique du Nord, 1867, et par les dites lettres patentes et par telle commission qui pourra lui être délivrée sous notre seing manuel et notre cachet, ainsi qu'aux instructions qu'il pourra recevoir de temps en temps sous notre seing manuel et cachet, ou par notre ordre rendu en notre Conseil privé, ou de nous par l'intermédiaire de l'un de nos principaux secrétaires d'Etat, comme aussi aux lois qui sont actuellement ou qui seront par la suite en vigueur dans notre dite Puissance.

II. Et par les présentes nous autorisons notre dit gouverneur général, et le revêtons du pouvoir de garder et utiliser le grand sceau de notre dite Puissance pour sceller toutes choses que ce soit qui sera passée sous le grand sceau.

III. Et, de plus, nous autorisons notre gouverneur général et le revêtons du pouvoir de constituer et nommer en notre nom et pour nous tous les juges, commissaires, juges de paix et autres officiers nécessaires et ministres de notre dite Puissance, qui peuvent être légalement constitués ou nommés par nous.

IV. Et, de plus, nous autorisons notre dit gouverneur général, et le revêtons du pouvoir, en tant qu'il est de notre compétence, et si la cause lui paraît suffisante, de renvoyer de son emploi, ou de suspendre de l'exercice du dit emploi, toute personne qui exerce un emploi dans notre dite Puissance sous et en vertu d'une commission ou mandat accordé ou qui sera accordé par nous en notre nom et sous notre autorité.

V. Et, de plus, nous autorisons notre gouverneur général et le revêtons du pouvoir d'exercer tous les pouvoirs qui nous appartiennent légalement de convoquer, proroger et dissoudre le parlement de notre dite Puissance.

VI. Et attendu que par l'Acte de l'Amérique Britannique du Nord de 1867, il est entre autres choses statué, qu'il nous sera loisible, si nous le jugeons à propos, d'autoriser le gouverneur général de notre dite Puissance du Canada à nommer une ou plusieurs personnes, conjointement ou séparément, pour agir comme son ou ses députés dans aucune partie ou parties de notre dite Puissance, et, en cette capacité, exercer, durant le bon plaisir de notre dit gouverneur général, les pouvoirs, attributions et fonctions de notre dit gouverneur général, que le gouverneur général jugera à propos ou nécessaire d'assigner à ce député ou ces députés, sujet aux restrictions ou instructions formulées ou communiquées de temps à autre par nous : Sachez donc que par les présentes nous autorisons notre dit gouverneur général, sujet aux restrictions et instructions comme susdit, à nommer une ou plusieurs personnes, conjointement ou séparément, pour agir comme son ou ses députés dans toute partie ou parties de notre dite Puissance du Canada, et, en cette capacité, exercer durant son bon plaisir, les pouvoirs, attributions et fonctions qu'il jugera à propos de lui ou leur assigner ; pourvu toujours que la nomination de tel député ou députés ne pourra empêcher le Gouverneur général lui-même d'exercer les pouvoirs, attributions ou fonctions qui lui sont conférés.

VII. Et par les présentes nous déclarons que nous désirons qu'advenant la mort, l'incapacité de notre dit gouverneur général, ou pour cause de son déplacement ou de son absence du Canada, tous les pouvoirs et autorités conférés par les présentes au dit gouverneur général seront donnés à telle personne qui sera nommée par nous sous notre seing et cachet lieutenant-

gouverneur de notre dite Puissance, durant notre bon plaisir, ou s'il n'y a pas de lieutenant-gouverneur dans notre dite Puissance, alors à telle personne ou personnes qui pourront être nommées sous les seing et cachet royaux pour administrer le dit gouvernement ; et s'il n'y a pas de telle personne ou personnes ainsi nommées par nous dans notre dite Puissance, alors à notre juge en chef en exercice de la cour Suprême de notre dite Puissance ; ou dans le cas de la mort, incapacité, déplacement ou absence de notre dite Puissance de notre dit juge en chef en exercice, alors au plus ancien juge en exercice de notre cour Suprême demeurant alors dans notre dite Puissance, et ne souffrant point d'incapacité.

Pourvu toujours que le dit plus ancien juge n'agira dans l'administration du gouvernement que lorsque notre dit juge en chef ne sera pas présent dans notre dite Puissance et est incapable d'administrer le gouvernement.

Pourvu aussi que ces pouvoirs et attributions ne soient conférés au lieutenant-gouverneur, ou à la dite autre personne ou personnes, qu'après qu'il aura ou qu'elles auront prêté les serments exigés du gouverneur général de notre dite Puissance, et en la manière prévue par les instructions qui accompagnent nos présentes lettres patentes.

VIII. Et, par les présentes, nous mandons et ordonnons à tous nos officiers et ministres, tant civils que militaires, et à tous les autres habitants de notre dite Puissance d'obéir et prêter aide et assistance à notre dit gouverneur général, ou, dans le cas où il décéderait, deviendrait incapable ou s'absenterait, à la personne ou aux personnes qui seraient chargées, en vertu des dispositions de nos présentes lettres patentes, d'administrer le gouvernement de notre dite Puissance.

IX. Et nous nous réservons par les présentes à nous-même et à nos héritiers et successeurs pleine autorité et pouvoir de révoquer, de modifier ou d'amender nos présentes lettres patentes, comme bon nous semblera à nous ou à nos héritiers et successeurs.

X. Et nous mandons et ordonnons que nos présentes lettres patentes soient lues et publiées en notre dite Puissance à tel lieu ou lieux que notre dit gouverneur général jugera convenables.

En foi de quoi nous avons fait émettre les présentes lettres patentes. Témoins nous-même à Westminster, le quinzième jour de juin, l'an cinquième de notre règne.

Par mandement sous le seing manuel du Roi.

DEMANDES AU PARLEMENT.

RÈGLE SPÉCIALE DU SÉNAT.

Lorsqu'un bill confirmant un bail, une convention ou toute autre espèce de contrat, sera reçu ou présenté au Sénat, ce bail, cette convention ou cette autre espèce de contrat sera exposé dans un appendice ou autrement.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de

sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante, sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce, — et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

ORDERS IN COUNCIL.

[Ref. 1,241,080.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 17th day of July, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a Report from the Minister of the Interior stating that he is in receipt of an application from the Corporation of the Oblates of the North-west Territories for a grant of lots 82, 83, 97 and 98 of the settlement of Lesser Slave Lake in the District of Athabasca, which land has been used by the Roman Catholic Mission at that point for the grazing of their cattle and horses since the month of December, 1894. It would appear that the land in question is well suited for the raising of stock, an industry on which the Mission is to a great extent dependent. The land was formerly occupied by the Cree Indians and Half-breeds of that District, but more particularly by one Isidore Noskiye, and by this latter transferred to the Corporation of the Oblate Fathers in the year 1894, five years before the Treaty was entered into between the Government and the Indians of the District of Athabasca. Since that date the Corporation has exercised proprietary rights over the land in question and is reported to have today over one hundred head of cattle and some twelve horses on the property. The assignment made by the Indians to the Corporation cannot under the law be recognized, but that made by Isidore Noskiye, a Half-breed whose status was recognized by the Half-breed Commissioners by the issue of scrip in satisfaction of his claim would appear to be in due form and there is no reason why the same should not be recognized.

The Minister further states that under the terms of the Order in Council of the 6th May, 1899, providing for the settlement of the claims of Half-breeds resident in the District of Athabasca, authority was granted for the grant of one hundred and sixty acres of land to each *bona fide* occupier of land in the said Territory, so that the Corporation through their own occupation at the time of the Treaty, and as assignee of Isidore Noskiye, are entitled to a free grant of 320 acres out of the area covered by the four lots in question, and it is proposed to ratify their right thereto.

The Minister further states that as regards the balance of 480 acres, it is felt that the application of the Corporation should receive at the hands of the Government as liberal treatment as can be extended under the provisions of the law. Both the Roman Catholic and the Anglican Missions at Lesser Slave Lake have contributed very largely by their farming enterprise to educate the Indian and Half-breed population of that region.

They have spent large sums of money in this relation and the result of their work has acted as a very strong object lesson to the population which their labours are intended to serve.

The Minister, under the authority of subclause F. 2, of clause 90, of The Dominion Lands Act, recommends that the Corporation of the Oblates be permitted to purchase the 480 acres in question at the minimum price of \$1.00 per acre.

The Committee submit the same for approval.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(1) The petitioner's residence at the time of service.

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

CANADA.

LETTRES PATENTES sous le grand sceau du Royaume-Uni, constituant la fonction de gouverneur général et commandant en chef de la Puissance du Canada.

En date du 15 juin 1905.

ÉDOUARD SEPT, par la grâce de Dieu, Roi du Royaume-Uni de la Grande-Bretagne et d'Irlande et des possessions britanniques au delà des mers, Défenseur de la Foi, Empereur des Indes.

A tous ceux à qui les présentes parviendront,—Salut :

ATTENDU que par certaines lettres patentes sous le grand sceau de Notre Royaume-Uni de la Grande-Bretagne et d'Irlande datées à Westminster le cinquième jour d'octobre 1878, feu Sa Majesté la reine

Victoria a constitué, décrété et déclaré qu'il y aurait un gouverneur général dans et pour notre Puissance du Canada, et que la personne remplissant la dite fonction de gouverneur général serait de temps à autre nommée par commission sous le seing manuel et le cachet royal :

Et attendu que nous voulons et désirons révoquer les dites lettres patentes, et leur substituer d'autres dispositions :

À ces causes, par ces présentes nous révoquons et annulons les dites lettres patentes, et tout ce qui y est contenu, mais sans préjudice à ce qui aura été fait légalement en vertu d'icelles :

Et nous déclarons notre volonté et plaisir comme suit :

I. Par les présentes nous constituons, décrétons et déclarons qu'il y aura un gouverneur général et commandant en chef dans et sur notre Puissance du Canada (ci-après appelée notre dite Puissance), et les nominations à la dite fonction seront faites par commission sous notre seing manuel et cachet.

Et par les présentes nous autorisons et commandons notre dit gouverneur général et commandant en chef (ci-après appelé notre gouverneur général) de faire et exécuter dûment tout ce qui appartiendra à son dit mandat et à la fonction que nous lui avons conférée, en se conformant aux pouvoirs et attributions qui lui sont ou seront donnés ou conférés en vertu de l'Acte de l'Amérique Britannique du Nord, 1867, et par les dites lettres patentes et par telle commission qui pourra lui être délivrée sous notre seing manuel et notre cachet, ainsi qu'aux instructions qu'il pourra recevoir de temps en temps sous notre seing manuel et cachet, ou par notre ordre rendu en notre Conseil privé, ou de nous par l'intermédiaire de l'un de nos principaux secrétaires d'État, comme aussi aux lois qui sont actuellement ou qui seront par la suite en vigueur dans notre dite Puissance.

II. Et par les présentes nous autorisons notre dit gouverneur général, et le revêtons du pouvoir de garder et utiliser le grand sceau de notre dite Puissance pour sceller toutes choses que ce soit qui sera passée sous le grand sceau.

III. Et, de plus, nous autorisons notre gouverneur général et le revêtons du pouvoir de constituer et nommer en notre nom et pour nous tous les juges, commissaires, juges de paix et autres officiers nécessaires et ministres de notre dite Puissance, qui peuvent être légalement constitués ou nommés par nous.

IV. Et, de plus, nous autorisons notre dit gouverneur général, et le revêtons du pouvoir, en tant qu'il est de notre compétence, et si la cause lui paraît suffisante, de renvoyer de son emploi, ou de suspendre de l'exercice du dit emploi, toute personne qui exerce un emploi dans notre dite Puissance sous et en vertu d'une commission ou mandat accordé ou qui sera accordé par nous en notre nom et sous notre autorité.

V. Et, de plus, nous autorisons notre gouverneur général et le revêtons du pouvoir d'exercer tous les pouvoirs qui nous appartiennent légalement de convoquer, proroger et dissoudre le parlement de notre dite Puissance.

VI. Et attendu que par l'Acte de l'Amérique Britannique du Nord de 1867, il est entre autres choses statué, qu'il nous sera loisible, si nous le jugeons à propos, d'autoriser le gouverneur général de notre dite Puissance du Canada à nommer une ou plusieurs personnes, conjointement ou séparément, pour agir comme son ou ses députés dans aucune partie ou parties de notre dite Puissance, et, en cette capacité, exercer, durant le bon plaisir de notre dit gouverneur général, les pouvoirs, attributions et fonctions de notre dit gouverneur général, que le gouverneur général jugera à propos ou nécessaire d'assigner à ce député ou ces députés, sujet aux restrictions ou instructions formulées ou communiquées de temps à autre par nous : Sachez donc que par les présentes nous autorisons notre dit gouverneur général, sujet aux restrictions et instructions comme susdit, à nommer une ou plusieurs personnes, conjointement ou séparément, pour agir comme son ou ses députés dans toute partie ou parties de notre dite Puissance du Canada, et, en cette capacité, exercer durant son bon plaisir, les pouvoirs, attributions et fonctions qu'il jugera à propos de lui ou leur assigner ;

pourvu toujours que la nomination de tel député ou députés ne pourra empêcher le Gouverneur général lui-même d'exercer les pouvoirs, attributions ou fonctions qui lui sont conférés.

VII. Et par les présentes nous déclarons que nous désirons qu'advenant la mort, l'incapacité de notre dit gouverneur général, ou pour cause de son déplacement ou de son absence du Canada, tous les pouvoirs et autorités conférés par les présentes au dit gouverneur général seront donnés à telle personne qui sera nommée par nous sous notre seing et cachet lieutenant-gouverneur de notre dite Puissance, durant notre bon plaisir, ou s'il n'y a pas de lieutenant-gouverneur dans notre dite Puissance, alors à telle personne ou personnes qui pourront être nommées sous les seing et cachet royaux pour administrer le dit gouvernement ; et s'il n'y a pas de telle personne ou personnes ainsi nommées par nous dans notre dite Puissance, alors à notre juge en chef en exercice de la cour Suprême de notre dite Puissance ; ou dans le cas de la mort, incapacité, déplacement ou absence de notre dite Puissance de notre dit juge en chef en exercice, alors au plus ancien juge en exercice de notre cour Suprême demeurant alors dans notre dite Puissance, et ne souffrant point d'incapacité.

Pourvu toujours que le dit plus ancien juge n'agira dans l'administration du gouvernement que lorsque notre dit juge en chef ne sera pas présent dans notre dite Puissance et est incapable d'administrer le gouvernement.

Pourvu aussi que ces pouvoirs et attributions ne soient conférés au lieutenant-gouverneur, ou à la dite autre personne ou personnes, qu'après qu'il aura ou qu'elles auront prêté les serments exigés du gouverneur général de notre dite Puissance, et en la manière prévue par les instructions qui accompagnent nos présentes lettres patentes.

VIII. Et, par les présentes, nous mandons et ordonnons à tous nos officiers et ministres, tant civils que militaires, et à tous les autres habitants de notre dite Puissance d'obéir et prêter aide et assistance à notre dit gouverneur général, ou, dans le cas où il déciderait, deviendrait incapable ou s'absenterait, à la personne ou aux personnes qui seraient chargées, en vertu des dispositions de nos présentes lettres patentes, d'administrer le gouvernement de notre dite Puissance.

IX. Et nous nous réservons par les présentes à nous-même et à nos héritiers et successeurs pleine autorité et pouvoir de révoquer, de modifier ou d'amender nos présentes lettres patentes, comme bon nous semblera à nous ou à nos héritiers et successeurs.

X. Et nous mandons et ordonnons que nos présentes lettres patentes soient lues et publiées en notre dite Puissance à tel lieu ou lieux que notre dit gouverneur général jugera convenables.

En foi de quoi nous avons fait émettre les présentes lettres patentes. Témoins nous-même à Westminster, le quinzième jour de juin, l'an cinquième de notre règne.

Par mandement sous le seing manuel du Roi.

DEMANDES AU PARLEMENT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être

statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante, sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées

dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaires pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce, — et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

[Ref. 1,241,080.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 17th day of July, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a Report from the Minister of the Interior stating that he is in receipt of an application from the Corporation of the Oblates of the North-west Territories for a grant of lots 82, 83, 97 and 98 of the settlement of Lesser Slave Lake in the District of Athabasca, which land has been used by the Roman Catholic Mission at that point for the grazing of their cattle and horses since the month of December, 1894. It would appear that the land in question is well suited for the raising of stock, an industry on which the Mission is to a great extent dependent. The land was formerly occupied by the Cree Indians and Half-breeds of that District, but more particularly by one Isidore Noskiye, and by this latter transferred to the Corporation of the Oblate Fathers in the year 1894, five years before the Treaty was entered into between the Government and the Indians of the District of Athabasca. Since that date the Corporation has exercised proprietary rights over the land in question and is reported to have to-day over one hundred head of cattle and some twelve horses on the property. The assignment made by the Indians to the Corporation cannot under the law be recognized, but that made by Isidore Noskiye, a Half-breed whose status was recognized by the Half-breed Commissioners by the issue of scrip in satisfaction of his claim would appear to be in due form and there is no reason why the same should not be recognized.

The Minister further states that under the terms of the Order in Council of the 6th May, 1899, providing for the settlement of the claims of Half-breeds resident in the District of Athabasca, authority was granted for the grant of one hundred and sixty acres of land to each *bona fide* occupier of land in the said Territory, so that the Corporation through their own occupation at the time of the Treaty, and as assignee of Isidore Noskiye, are entitled to a free grant of 320 acres out of the area covered by the four lots in question, and it is proposed to ratify their right thereto.

The Minister further states that as regards the balance of 480 acres, it is felt that the application of the Corporation should receive at the hands of the Government as liberal treatment as can be extended under the provisions of the law. Both the Roman Catholic and the Anglican Missions at Lesser Slave Lake have contributed very largely by their farming

enterprise to educate the Indian and Half-breed population of that region.

They have spent large sums of money in this relation and the result of their work has acted as a very strong object lesson to the population which their labours are intended to serve.

The Minister, under the authority of subclause F. 2, of clause 90, of The Dominion Lands Act, recommends that the Corporation of the Oblates be permitted to purchase the 480 acres in question at the minimum price of \$1.00 per acre.

The Committee submit the same for approval.

JOHN J. McGEE,
Clerk of the Privy Council.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(1) The petitioner's residence at the time of service.

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

Clerk of the Senate.

(203) DÉTROIT DE BELLE-ÎLE, EXTRÉMITÉ OUEST—ÎLE GREENLY—CHANGEMENT DE SIGNAL DE BRUME.

Un nouvel abri de signal de brume a été érigé sur l'île Greenly, extrémité ouest du détroit de Belle-Île. C'est une construction en bois de forme rectangulaire, peinte en blanc, avec toit rouge, située à 695 pieds S. 20° 20' E. du phare, et à 60 pieds du bord de l'eau.

Le nouveau signal de brume consiste d'un diaphone actionné par l'air comprimé. Dans les temps brumeux il donnera un son de cinq secondes chaque minute. Ce signal de brume remplace le cor de brume à vapeur utilisé autrefois.

Le nouveau signal de brume commencera à fonctionner le 15 d'août 1906.

DEMANDES AU PARLEMENT.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être

statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante, sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées

dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant le service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce, — et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,

Greffier du Sénat.

SÉNAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit:—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse;

4. Une compagnie de banque; une compagnie d'assurance; une compagnie de crédit; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y

relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs); d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots: "*Avis de bill privé*"; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

SAML. E. ST. O. CHAPLEAU,

Greffier du Sénat.

ORDERS IN COUNCIL.

[Ref. 1,247,280.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 20th day of July, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a Report dated 12th July, 1906, from the Superintendent General of Indian Affairs, stating that the aboriginal title has not been extinguished in the greater portion of that part of the Province of Saskatchewan which lies north of the 54th parallel of latitude and in a small adjoining area in Alberta ; that the

Indians and Half-breeds of that territory are similarly situated to those whose country lies immediately to the south and west, whose claims have already been extinguished by, in the case of the Indians, a payment of a gratuity and annuity and the setting aside of lands as reserves, and in the case of those who are Half-breeds, by the issue of scrip; and they have from time to time pressed their claims for settlement on similar lines; that it is in the public interest that the whole of the territory included within the boundaries of the Provinces of Saskatchewan and Alberta should be relieved of the claims of the aborigines; and that \$12,000 has been included in the estimates for expenses in the making of a treaty with Indians and in settling the claims of the Half-breeds and for paying the usual gratuities to the Indians.

The Minister recommends as follows:—

1. That a Treaty be made with the Indians of the aforesaid territory, which is situated partly in the Province of Saskatchewan and partly in the Province of Alberta, and lying to the east of Treaty 8, and to the north of Treaties 5 and 6, and the addition to Treaty 6, which territory contains, approximately, an area of 85,800 square miles; and that the Treaty provide,—

(a) for the setting aside of reserves of an area not to exceed one square mile for each family of five for such number of families as may elect to reside on reserves, or in that proportion for larger or smaller families, and for such Indian families or individual Indians as prefer to live apart from band reserves, the setting aside of lands in severalty to the extent of 160 acres for each Indian with a proviso as to non-alienation without the consent of the Governor in Council;

(b) for the payment at the time of the making of the Treaty of \$32.00 in cash to each Chief, and \$22.00 to each head man, and \$12.00 to every other Indian of whatever age, and the payment every year thereafter of \$25.00 to each Chief, \$15.00 to each head man, and \$5.00 to every other Indian of whatever age;

(c) for the making of such provision as may from time to time be deemed advisable for the education of the Indian children; and

(d) for the affording of such assistance as may be found necessary or desirable to advance the Indians in farming or stock-raising or other work.

2. That the Half-breeds of the territory aforesaid be granted scrip redeemable to the amount of \$240 in payment for Dominion Land or locatable for 240 acres of Dominion Land in the form and according to the rules followed in the issue of scrip to the Half-breeds in the territory covered by Treaty 8, which are as follows:—

(a) Every Half-breed resident in the territory to be covered by the proposed Treaty at the time of the making thereof whose claim has not been extinguished either by the issue of scrip to himself or his parents or otherwise to be granted scrip as aforesaid for land or money as he, or his parent or guardian, if he be under eighteen years of age, may elect;

(b) The extinguishment of the claim of one parent shall not be held to debar from scrip any Half-breed who is a resident of the said territory at the time of the making of the Treaty;

(c) In the case of Half-breeds whose claims were previously extinguished and who may be residents of the said territory those of their children born in the territory or in any ceded portion of the North-west outside the old boundaries of Manitoba between the 15th of July, 1870, and the end of the year 1885, are, if they have not previously received scrip, to be recognized as entitled to scrip, as they would have been recognized had their claims been presented to the Commission appointed to dispose of such claims;

(d) The certificates for scrip issued in favour of Half-breeds under eighteen years of age shall be delivered to the father, if he be alive, and if not to the mother or guardian.

The Minister further recommends that James Andrew Joseph McKenna, of the City of Winnipeg, in the Province of Manitoba, be appointed Commissioner to make the proposed Treaty with the Indians of the territory described herein, and to hear and determine the claims of the Half-breeds therein and issue scrip

as aforesaid to those of them whom he may find to be entitled; Mr. McKenna to be allowed in addition to his regular salary extra remuneration at the rate of \$5.00 per diem.

The Committee submit the same for approval.

JOHN J. MCGEE,
Clerk of the Privy Council.

THE Committee of the Privy Council, on the recommendation of the Superintendent General of Indian Affairs, advise that, the Order in Council of the 20th July, inst., naming James Andrew Joseph McKenna, as Commissioner to treat with the Indians and Half-breeds of the territory described therein for the extinguishment of their claim, be amended, so as to enable Mr. McKenna to properly conduct the necessary investigation into such claims, by authorizing him to take evidence under oath, to summon persons before him by subpoena and to compel the production of papers and writings.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 17th day of July, 1906.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a Report from the Minister of the Interior stating that he is in receipt of an application from the Corporation of the Oblates of the North-west Territories for a grant of lots 82, 83, 97 and 98 of the settlement of Lesser Slave Lake in the District of Athabasca, which land has been used by the Roman Catholic Mission at that point for the grazing of their cattle and horses since the month of December, 1894. It would appear that the land in question is well suited for the raising of stock, an industry on which the Mission is to a great extent dependent. The land was formerly occupied by the Cree Indians and Half-breeds of that District, but more particularly by one Isidore Noskiye, and by this latter transferred to the Corporation of the Oblate Fathers in the year 1894, five years before the Treaty was entered into between the Government and the Indians of the District of Athabasca. Since that date the Corporation has exercised proprietary rights over the land in question and is reported to have today over one hundred head of cattle and some twelve horses on the property. The assignment made by the Indians to the Corporation cannot under the law be recognized, but that made by Isidore Noskiye, a Half-breed whose status was recognized by the Half-breed Commissioners by the issue of scrip in satisfaction of his claim would appear to be in due form and there is no reason why the same should not be recognized.

The Minister further states that under the terms of the Order in Council of the 6th May, 1899, providing for the settlement of the claims of Half-breeds resident in the District of Athabasca, authority was granted for the grant of one hundred and sixty acres of land to each *bona fide* occupier of land in the said Territory, so that the Corporation through their own occupation at the time of the Treaty, and as assignee of Isidore Noskiye, are entitled to a free grant of 320 acres out of the area covered by the four lots in question, and it is proposed to ratify their right thereto.

The Minister further states that as regards the balance of 480 acres, it is felt that the application of the Corporation should receive at the hands of the Government as liberal treatment as can be extended under the provisions of the law. Both the Roman

Catholic and the Anglican Missions at Lesser Slave Lake have contributed very largely by their farming enterprise to educate the Indian and Half-breed population of that region.

They have spent large sums of money in this relation and the result of their work has acted as a very strong object lesson to the population which their labours are intended to serve.

The Minister, under the authority of subclause F. 2, of clause 90, of The Dominion Lands Act, recommends that the Corporation of the Oblates be permitted to purchase the 480 acres in question at the minimum price of \$1.00 per acre.

The Committee submit the same for approval.

JOHN J. McGEE,
Clerk of the Privy Council.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(1) The petitioner's residence at the time of service.

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

PHARE RECONSTRUIT.

Un nouveau phare a été érigé sur la Pointe Maquereau, Baie de Chaleur, sur l'emplacement du vieux phare détruit par le feu le 30 août 1905. Il remplace le feu temporaire montré d'un fanal hissé à un mât de signal décrit dans l'Avis aux Navigateurs No. 80 (196) de 1905.

La tour est un bâtiment en bois, de forme octogone, avec côtés en pente, peinte en blanc, surmonté d'une lanterne circulaire en fer, peinte en rouge. Elle a 51 pieds de hauteur depuis sa base jusqu'à la girouette sur la lanterne.

Le feu montré sera un triple feu blanc à éclats, qui donnera des groupes de trois éclats brillants à des intervalles de 2½ secondes entre les éclats, suivis d'une éclipse de 10 secondes. Le feu sera à 62 pieds au-dessus de la marque de l'eau haute, et devrait être visible à 13 milles de tous les points d'approche. L'appareil lumineux est dioptrique du troisième ordre,

et le luminaire est de la vapeur de pétrole brûlée dans un manteau incandescent.

DEMANDES AU PARLEMENT.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU
SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être

statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante, sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées

dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce, — et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

SÉNAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y

relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : “ *Avis de bill privé* ” ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 20th day of July, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a Report dated 12th July, 1906, from the Superintendent General of Indian Affairs, stating that the aboriginal title has not been extinguished in the greater portion of that part of the Province of Saskatchewan which lies north of the 54th parallel of latitude and in a small adjoining area in Alberta ; that the

Indians and Half-breeds of that territory are similarly situated to those whose country lies immediately to the south and west, whose claims have already been extinguished by, in the case of the Indians, a payment of a gratuity and annuity and the setting aside of lands as reserves, and in the case of those who are Half-breeds, by the issue of scrip ; and they have from time to time pressed their claims for settlement on similar lines ; that it is in the public interest that the whole of the territory included within the boundaries of the Provinces of Saskatchewan and Alberta should be relieved of the claims of the aborigines ; and that \$12,000 has been included in the estimates for expenses in the making of a treaty with Indians and in settling the claims of the Half-breeds and for paying the usual gratuities to the Indians.

The Minister recommends as follows :—

1. That a Treaty be made with the Indians of the aforesaid territory, which is situated partly in the Province of Saskatchewan and partly in the Province of Alberta, and lying to the east of Treaty 8, and to the north of Treaties 5 and 6, and the addition to Treaty 6, which territory contains, approximately, an area of 85,800 square miles ; and that the Treaty provide,—

(a) for the setting aside of reserves of an area not to exceed one square mile for each family of five for such number of families as may elect to reside on reserves, or in that proportion for larger or smaller families, and for such Indian families or individual Indians as prefer to live apart from band reserves, the setting aside of lands in severalty to the extent of 160 acres for each Indian with a proviso as to non-alienation without the consent of the Governor in Council ;

(b) for the payment at the time of the making of the Treaty of \$32.00 in cash to each Chief, and \$22.00 to each head man, and \$12.00 to every other Indian of whatever age, and the payment every year thereafter of \$25.00 to each Chief, \$15.00 to each head man, and \$5.00 to every other Indian of whatever age ;

(c) for the making of such provision as may from time to time be deemed advisable for the education of the Indian children ; and

(d) for the affording of such assistance as may be found necessary or desirable to advance the Indians in farming or stock-raising or other work.

2. That the Half-breeds of the territory aforesaid be granted scrip redeemable to the amount of \$240 in payment for Dominion Land or locatable for 240 acres of Dominion Land in the form and according to the rules followed in the issue of scrip to the Half-breeds in the territory covered by Treaty 8, which are as follows :—

(a) Every Half-breed resident in the territory to be covered by the proposed Treaty at the time of the making thereof whose claim has not been extinguished either by the issue of scrip to himself or his parents or otherwise to be granted scrip as aforesaid for land or money as he, or his parent or guardian, if he be under eighteen years of age, may elect ;

(b) The extinguishment of the claim of one parent shall not be held to debar from scrip any Half-breed who is a resident of the said territory at the time of the making of the Treaty ;

(c) In the case of Half-breeds whose claims were previously extinguished and who may be residents of the said territory those of their children born in the territory or in any ceded portion of the North-west outside the old boundaries of Manitoba between the 15th of July, 1870, and the end of the year 1885, are, if they have not previously received scrip, to be recognized as entitled to scrip, as they would have been recognized had their claims been presented to the Commission appointed to dispose of such claims ;

(d) The certificates for scrip issued in favour of Half-breeds under eighteen years of age shall be delivered to the father, if he be alive, and if not to the mother or guardian.

The Minister further recommends that James Andrew Joseph McKenna, of the City of Winnipeg, in the Province of Manitoba, be appointed Commissioner to make the proposed Treaty with the Indians of the territory described herein, and to hear and determine the claims of the Half-breeds therein and issue scrip

as aforesaid to those of them whom he may find to be entitled; Mr. McKenna to be allowed in addition to his regular salary extra remuneration at the rate of \$5.00 per diem.

The Committee submit the same for approval.

Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Friday, the 20th day of July, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council, on the recommendation of the Superintendent General of Indian Affairs, advise that, the Order in Council of the 20th July, inst., naming James Andrew Joseph McKenna, as Commissioner to treat with the Indians and Half-breeds of the territory described therein for the extinguishment of their claim, be amended, so as to enable Mr. McKenna to properly conduct the necessary investigation into such claims, by authorizing him to take evidence under oath, to summon persons before him by subpoena and to compel the production of papers and writings.

9-4 JOHN J. McGEE,
Clerk of the Privy Council.

[Ref. 1,241,080.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 17th day of July, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

ON a Report from the Minister of the Interior stating that he is in receipt of an application from the Corporation of the Oblates of the North-west Territories for a grant of lots 82, 83, 97 and 98 of the settlement of Lesser Slave Lake in the District of Athabasca, which land has been used by the Roman Catholic Mission at that point for the grazing of their cattle and horses since the month of December, 1894. It would appear that the land in question is well suited for the raising of stock, an industry on which the Mission is to a great extent dependent. The land was formerly occupied by the Cree Indians and Half-breeds of that District, but more particularly by one Isidore Noskiye, and by this latter transferred to the Corporation of the Oblate Fathers in the year 1894, five years before the Treaty was entered into between the Government and the Indians of the District of Athabasca. Since that date the Corporation has exercised proprietary rights over the land in question and is reported to have today over one hundred head of cattle and some twelve horses on the property. The assignment made by the Indians to the Corporation cannot under the law be recognized, but that made by Isidore Noskiye, a Half-breed whose status was recognized by the Half-breed Commissioners by the issue of scrip in satisfaction of his claim would appear to be in due form and there is no reason why the same should not be recognized.

The Minister further states that under the terms of the Order in Council of the 6th May, 1899, providing for the settlement of the claims of Half-breeds resident in the District of Athabasca, authority was granted for the grant of one hundred and sixty acres of land to each *bona fide* occupier of land in the said Territory, so that the Corporation through their own occupation at the time of the Treaty, and as assignee of Isidore Noskiye, are entitled to a free grant of 320 acres out of the area covered by the four lots in question, and it is proposed to ratify their right thereto.

The Minister further states that as regards the balance of 480 acres, it is felt that the application of the Corporation should receive at the hands of the Government as liberal treatment as can be extended under the provisions of the law. Both the Roman

Catholic and the Anglican Missions at Lesser Slave Lake have contributed very largely by their farming enterprise to educate the Indian and Half-breed population of that region.

They have spent large sums of money in this relation and the result of their work has acted as a very strong object lesson to the population which their labours are intended to serve.

The Minister, under the authority of subclause F, 2, of clause 90, of The Dominion Lands Act, recommends that the Corporation of the Oblates be permitted to purchase the 480 acres in question at the minimum price of \$1.00 per acre.

The Committee submit the same for approval.

7-4 JOHN J. McGEE,
Clerk of the Privy Council.

[Ref. 1,251,885.]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 5th day of July, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS by the Order in Council of the 22nd March, 1893, that portion of Township 1, Range 8, west of the Second Meridian lying west of the Souris River in the neighbourhood of Estevan, was reserved as a Quarantine Station, and the Department of Agriculture has now signified its willingness to relinquish all the lands so set apart with the exception of Sections 20, 29, 30 and 32 and the South-west quarter of Section 28 ;

And whereas the said Section 29, in the Township above mentioned which was set apart for school endowment was reserved from public sale and settlement and set apart for Quarantine purposes in connection with the Dominion Lands already set apart as a Quarantine reserve in the said township, such reservation to be maintained during the pleasure of the Governor in Council,—

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(1) The petitioner's residence at the time of service.

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give :—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

(216) BAIE DE CHALEUR—POINTE MAQUEREAU—
PHARE RECONSTRUIT.

Un nouveau phare a été érigé sur la Pointe Maquereau, Baie de Chaleur, sur l'emplacement du vieux phare détruit par le feu le 30 août 1905. Il remplace le feu temporaire montré d'un fanal hissé à un mât de signal décrit dans l'Avis aux Navigateurs No. 80 (196) de 1905.

La tour est un bâtiment en bois, de forme octogone, avec côtés en pente, peinte en blanc, surmonté d'une lanterne circulaire en fer, peinte en rouge. Elle a 51 pieds de hauteur depuis sa base jusqu'à la girouette sur la lanterne.

Le feu montré sera un triple feu blanc à éclats, qui donnera des groupes de trois éclats brillants à des intervalles de $2\frac{1}{2}$ secondes entre les éclats, suivis d'une éclipse de 10 secondes. Le feu sera à 62 pieds au-dessus de la marque de l'eau haute, et devrait être visible à 13 milles de tous les points d'approche. L'appareil lumineux est dioptrique du troisième ordre, et le luminaire est de la vapeur de pétrole brûlée dans un manteau incandescent.

Une habitation en bois de forme rectangulaire, peinte en blanc, a été érigée près de la tour.

DEMANDES AU PARLEMENT.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que révisées et mises en vigueur le 22 mars 1906.

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être

statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante, sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification.

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'Acte de la preuve en Canada, 1893.

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(1) La résidence du pétitionnaire à l'époque de la signification.

(2) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(3) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(4) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(5) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(a) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(b) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(c) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour la partie défenderesse.

(d) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(6) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(7) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées

dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les services d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de \$210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce, — et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

SÉNAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada*; cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une compagnie de chemin de fer ou de canal,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une compagnie de télégraphe ou de téléphone,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une compagnie pour la confection de travaux quelconques, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une compagnie de banque ; une compagnie d'assurance ; une compagnie de crédit ; une compagnie de prêt, ou une compagnie industrielle, sans pouvoirs exclusifs,—dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y

relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changements pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie,—dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires marqués de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé, une somme de \$200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commissaire-greffier du comité un reçu constatant le versement de ces sommes.

Saturday, the 18th day of August, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a Memorandum dated 31st July, 1906, from the Minister of the Interior, stating that the Bresaylor Episcopal Church has made application for a grant of five acres of the N. W. $\frac{1}{4}$ of the S. W. $\frac{1}{4}$ of Section 12, Township 46, R. 20, West Third Meridian, for cemetery

purposes, which may be more particularly described as follows :—

That parcel of land bounded as follows :—Starting at the N. W. corner of the S. W. $\frac{1}{4}$ of Section 12, Township 46, Range 20, West Third Meridian, and running southerly along the western boundary of said quarter section five chains, thence easterly parallel to the northern boundary of said quarter section ten chains; thence northerly parallel to the western boundary of said quarter section to the northern boundary of said quarter section five chains more or less; thence westerly along the northern boundary of said quarter section, ten chains more or less to the place of starting, containing five acres more or less.

The Minister further states that the parcel applied for would appear to be required for the purpose mentioned and that, in his opinion, the granting of the application would not be prejudicial to the public interest.

The Minister therefore recommends, the usual patent fee of \$10 having been remitted, that he be authorized, under clause 31 of The Dominion Lands Act, to convey the parcel above described, which is vacant and available according to the records of the Department to the trustees of the Bresaylor Episcopal Church, namely, the clergyman incumbent, the Reverend William Henry English, and the churchwardens, Edwin James Spence and Angus Chisholm, all of Bresaylor.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 20th day of July, 1906.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL
IN COUNCIL.

ON a Report dated 12th July, 1906, from the Superintendent General of Indian Affairs, stating that the aboriginal title has not been extinguished in the greater portion of that part of the Province of Saskatchewan which lies north of the 54th parallel of latitude and in a small adjoining area in Alberta; that the Indians and Half-breeds of that territory are similarly situated to those whose country lies immediately to the south and west, whose claims have already been extinguished by, in the case of the Indians, a payment of a gratuity and annuity and the setting aside of lands as reserves, and in the case of those who are Half-breeds, by the issue of scrip; and they have from time to time pressed their claims for settlement on similar lines; that it is in the public interest that the whole of the territory included within the boundaries of the Provinces of Saskatchewan and Alberta should be relieved of the claims of the aborigines; and that \$12,000 has been included in the estimates for expenses in the making of a treaty with Indians and in settling the claims of the Half-breeds and for paying the usual gratuities to the Indians.

The Minister recommends as follows :—

1. That a Treaty be made with the Indians of the aforesaid territory, which is situated partly in the Province of Saskatchewan and partly in the Province of Alberta, and lying to the east of Treaty 8, and to the north of Treaties 5 and 6, and the addition to Treaty 6, which territory contains, approximately, an area of 85,800 square miles; and that the Treaty provide,—

(a) for the setting aside of reserves of an area not to exceed one square mile for each family of five for such number of families as may elect to reside on reserves, or in that proportion for larger or smaller families, and for such Indian families or individual Indians as prefer to live apart from band reserves, the setting aside of

lands in severalty to the extent of 160 acres for each Indian with a proviso as to non-alienation without the consent of the Governor in Council ;

(b) for the payment at the time of the making of the Treaty of \$32.00 in cash to each Chief, and \$22.00 to each head man, and \$12.00 to every other Indian of whatever age, and the payment every year thereafter of \$25.00 to each Chief, \$15.00 to each head man, and \$5.00 to every other Indian of whatever age ;

(c) for the making of such provision as may from time to time be deemed advisable for the education of the Indian children ; and

(d) for the affording of such assistance as may be found necessary or desirable to advance the Indians in farming or stock-raising or other work.

2. That the Half-breeds of the territory aforesaid be granted scrip redeemable to the amount of \$240 in payment for Dominion Land or locatable for 240 acres of Dominion Land in the form and according to the rules followed in the issue of scrip to the Half-breeds in the territory covered by Treaty 8, which are as follows :—

(a) Every Half-breed resident in the territory to be covered by the proposed Treaty at the time of the making thereof whose claim has not been extinguished either by the issue of scrip to himself or his parents or otherwise to be granted scrip as aforesaid for land or money as he, or his parent or guardian, if he be under eighteen years of age, may elect ;

(b) The extinguishment of the claim of one parent shall not be held to debar from scrip any Half-breed who is a resident of the said territory at the time of the making of the Treaty ;

(c) In the case of Half-breeds whose claims were previously extinguished and who may be residents of the said territory those of their children born in the territory or in any ceded portion of the North-west outside the old boundaries of Manitoba between the 15th of July, 1870, and the end of the year 1885, are, if they have not previously received scrip, to be recognized as entitled to scrip, as they would have been recognized had their claims been presented to the Commission appointed to dispose of such claims ;

(d) The certificates for scrip issued in favour of Half-breeds under eighteen years of age shall be delivered to the father, if he be alive, and if not to the mother or guardian.

The Minister further recommends that James Andrew Joseph McKenna, of the City of Winnipeg, in the Province of Manitoba, be appointed Commissioner to make the proposed Treaty with the Indians of the territory described herein, and to hear and determine the claims of the Half-breeds therein and issue scrip as aforesaid to those of them whom he may find to be entitled ; Mr. McKenna to be allowed in addition to his regular salary extra remuneration at the rate of \$5.00 per diem.

The Committee submit the same for approval.

Clerk of the Privy Council.

THE SENATE.

SUBSTANCE OF RULES OF THE SENATE RELATING TO NOTICES AND APPLICATIONS FOR BILLS OF DIVORCE.

As Revised and brought in force 22nd March, 1906.

Every applicant for a Bill of Divorce shall give notice of his or her intended application, and shall specify therein from whom and for what cause such divorce is sought, and shall cause such notice to be published during at least three months before the consideration by the Committee on Divorce of his or her petition for the said Bill, in the *Canada Gazette* and in two newspapers published in the district in Quebec, Manitoba, Saskatchewan, Alberta, British Columbia or the Northwest Territories, or in the county or union of counties in other provinces, wherein such applicant usually resided at the time of the separation of the parties; but if the requisite number of papers cannot be found therein, then in an adjoining district or county or union of counties.

Notices given in the Provinces of Quebec and Manitoba are to be published in one English and one French newspaper, if there be such newspapers published in the district, but otherwise shall be published in one newspaper in both languages. If a notice given for any session of Parliament is not completed in time to allow the petition to be dealt with during that session, the petition may be presented and dealt with during the next ensuing session, without any further publication of such notice.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessful, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee as sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitioner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(1) The petitioner's residence at the time of service.

(2) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(3) The name and address of the solicitor, if any, acting for the petitioner.

(4) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(5) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(a) The respondent's residence at the time of sending such notice.

(b) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(c) The name and address of the solicitor, if any, acting for the respondent.

(d) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(6) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, (\$210.)

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

A copy of every petition for a Bill of Divorce, or relating to any matter arising out of an application for divorce, and of every document and paper accompanying such petition or produced in evidence before the Committee, shall be furnished to the Committee by the person on whose behalf the petition, document or paper is presented or produced.

Deux paires de feux d'alignement, entretenues pendant nombre d'années par le ministère des Chemins de fer et Canaux, pour servir de guide depuis l'entrée supérieure du canal de Carillon, et dans le chenal de la Chute à Blondeau, doivent être incluses dans la Liste des phares et signaux de brume canadiens. Chaque feu est blanc fixe catoptrique, montré d'un fanal de locomotive, peinturé en brun, reposant sur une tour en charpente à jour en bois peinturée en blanc. Chaque feu devrait être visible à trois milles dans l'alignement.
